

# **ORIENTATION PROGRAM FOR THE 3<sup>rd</sup> YEAR STUDENTS**

## **Tagore Dental College & Hospital**

**Date: 01.10.2017**

The 2 days **Orientation program** was organized for the **3<sup>rd</sup> BDS** students who are entering clinical year on **29.09.2017** and **30.09.2017**. A white coat ceremony was organized for them followed by Hippocratic Oath taking by the students since they will be starting to work on patients.

The students were given an introduction into what they would be doing in the clinical departments for the next 2 years and the work to be done in each department was explained by the HOD's of the various departments.

A series of lectures on Ethics & Jurisprudence, Sterilization and waste disposal, patient care and concern, Medical Emergencies, Bio-safety and Communicable diseases, Communication skills and soft skills followed by demonstration of CPR and hands on experience in sterilization and disinfection.

All the students will have a 2 day introductory postings in all departments in batches before the regular posting starts.

**87** Students benefitted from the program.
