

ANTI RAGGING SQUAD TRAINING WORKSHOP

Participants: Members of anti ragging committee and squad

A workshop to curb the menace of ragging was conducted in Tagore DENTAL College auditorium for all the members' of the anti ragging committee and squad. Dr.Vikas Dhupar gave the enlightening speech and made the members understood various problems face by students who undergo ragging and the legal implications faced by the culprits. He also highlighted the various laws which prevailed under the ragging act. He stressed upon the importance of Dental College being a calm and peaceful atmosphere devoid of ragging to enable the student to study the course.

He advised the members to be active participants and go on rounds in the college, canteen, bus and hostels to instill confidence among the first year students and ragging. And also be compassionate o the students and listen to their needs and complaints.

He insisted that Anti-ragging members should create a conducive environment for learning and take all necessary steps to prevent/prohibit/curb ragging of any type inside the campus. He also asked the committee members to be available and approachable for the students in any case of any such issue.

The Anti-ragging committee members found the program very useful. The audience appreciated the efforts of the Dental Council of India to make every dental institution "RAGGING FREE".
