PROGRAMME REPORT

The virtual lecture by Dr. Senthil Kumar M on Research Methods was the first lecture in the Lecture Series on Research Methods Organised by the Research Committee , Tagore Dental College . The lecture began at 1 pm through Google Meet Portal and had over 75 participants . Dr. Senthil Kumar . M . The topics covered were life cycle of Research , Framing a Research question , Study Objective , Study Designs , Ethics Guideline. Post the session students and faculties enthusiastically interacted with Dr. Senthil Kumar . M to get their queries answered and he patiently clarified all the doubts . Overall it was a wonderful session and all the students and faculties are looking forward for the upcoming session to be held in the month of August 2021.

PHOTOS

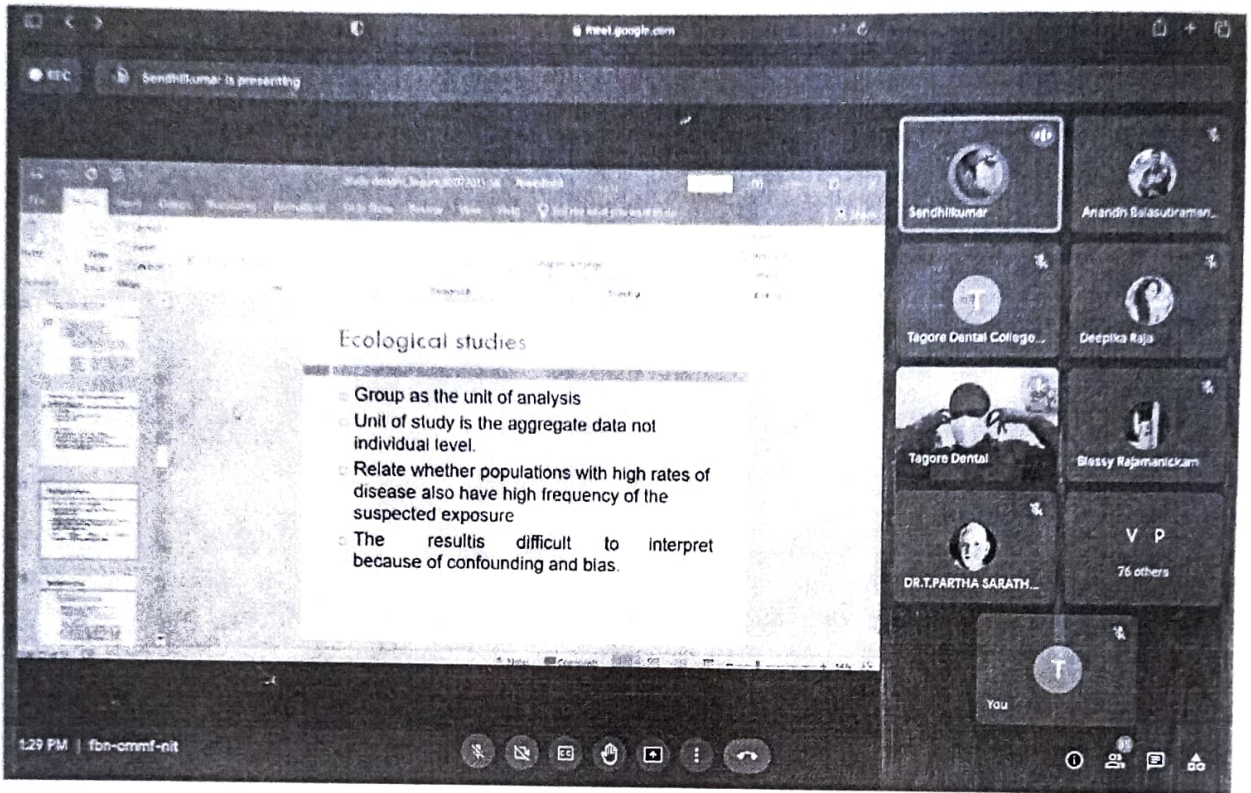

SendhilKumar is presenting

Ecological studies

- Group as the unit of analysis
- Unit of study is the aggregate data not individual level.
- Relate whether populations with high rates of disease also have high frequency of the suspected exposure
- The results difficult to interpret because of confounding and bias.

1:29 PM | fbn-crrmf-nit

Participants: SendhilKumar, Anandh Balasubraman..., Tagore Dental Collego..., Deepika Raja, Tagore Dental, Blessy Rajmanickam, DR.T.PARTHA SARATH..., You, V P, 76 others
