**Sub:** Report for camp conducted at Nochikuppam near light house on 07.02.2021

**Respected Mam,**

**ROTAG** (Rotary club of Tagore Dental College and Hospital) and **Department of Oral Pathology** have conducted an oral screening camp on **07.02.2021 at Nochikuppam near light house from 9.30 am to 1.30 pm.**

A total of 64 patients were screened for the dental check up with 4 cytological smears taken for only patients with clinically presentable lesions. The cytological smears were stained and reports were prepared. Patients requiring dental treatments were directed to our college for further treatment and follow up. The camp was conducted by **4 interns, 4 staffs and 2 supporting staffs.**
