**Sub:** Report for camp conducted at Tsunami Housing Board, Kannagi nagar on 24.01.2021.

**Respected Mam,**

**ROTAG** (Rotary club of Tagore Dental College and Hospital) and **Department of Oral Pathology** have conducted an oral screening camp on **24.01.2021 at Tsunami Housing Board, Kannagi nagar from 9.30 am to 1.30 pm.**

A total of 60 patients were screened for the dental check up with 5 cytological smears taken for only patients with clinically presentable lesions. The cytological smears were stained and reports were prepared. Patients requiring dental treatments were directed to our college for further treatment and follow up. The camp was conducted by **5 interns, 5 staffs and 2 supporting staffs.**
