Department Of Oral and Maxillo Facial Pathology

Summary

The Department of Oral and Maxillo-facial Pathology, Tagore Dental College & Hospital, conducted CDE (Online webinar) program on “**Research and Grant Writing: An Overview**” on 12th December 2020, Saturday in the online google meet platform. 75 participants including post graduate students and staff, from dental colleges had attended the program. The speaker for the day was Prof. Dr.K.Ranganathan, Head, Department of Oral and Maxillofacial Pathology, Ragas Dental College. The aim was to orient and educate post graduate students and staffs on research topic selection and receiving grants for research. The programme was credited with 1 CDE points by the TN DCI (**TNDC approval number 168/20**).

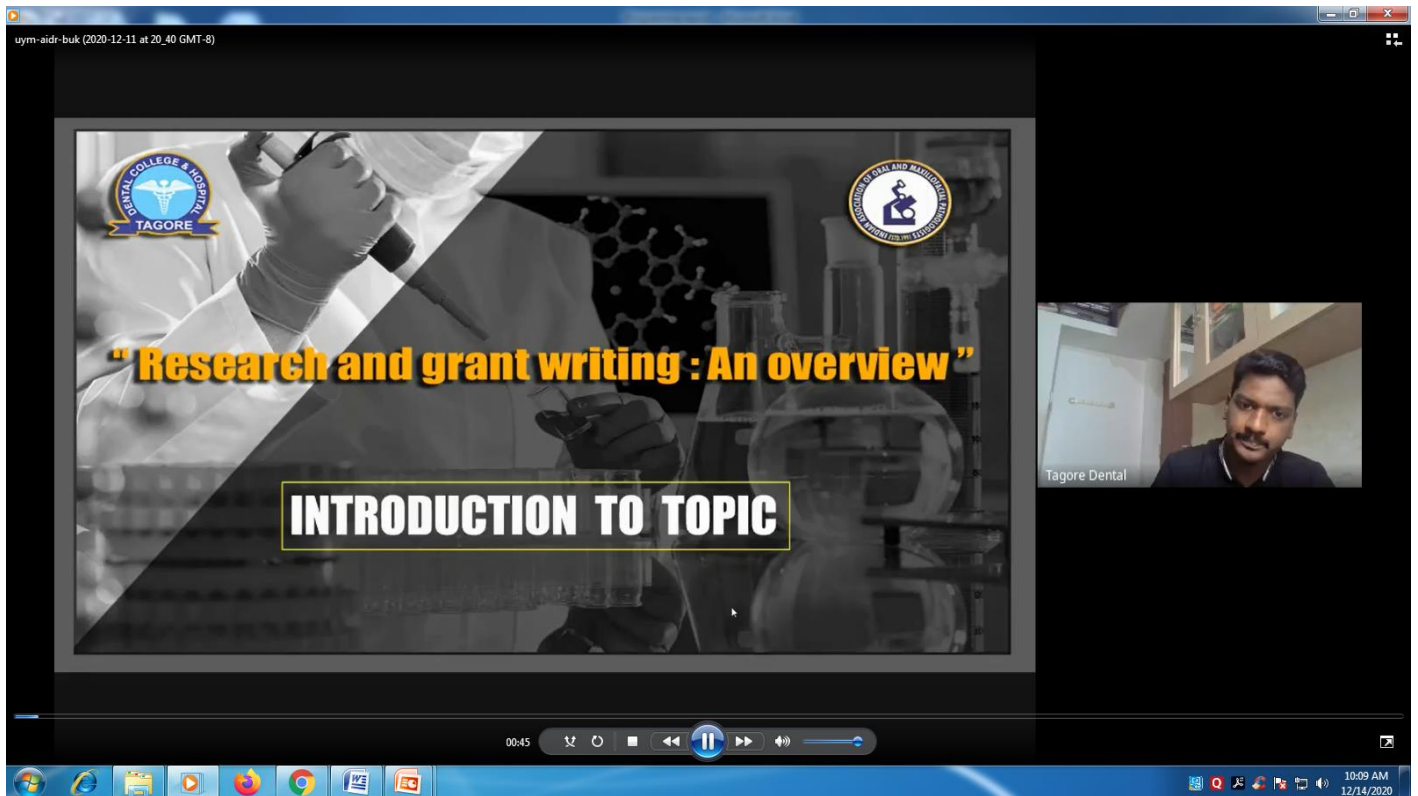

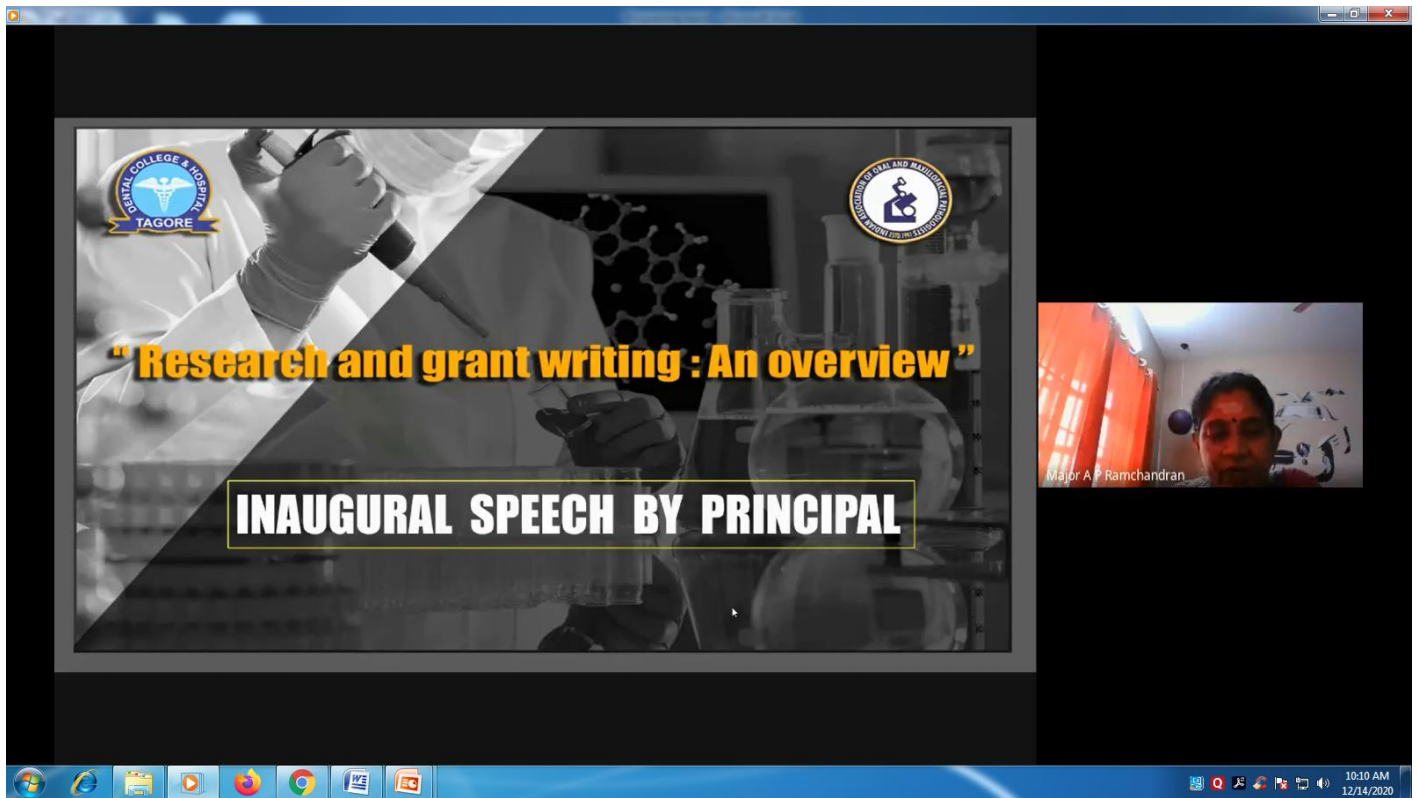

The program started with Introduction of the topic for the day by Dr. Jai Santhosh Manikandan, Senior lecturer, Department of Oral Pathology followed by Inaugural speech from our Principal, Dr. Chitraa R Chandran. This was continued with introduction of speaker for the day Prof. Dr.K.Ranaganathan by Dr P.Sai Krishna, Prof and HOD, Department of Oral and Maxillo Facial Pathology.

The webinar Session was started as planned on the topic for a period of one and half hour followed by question hour session. He has imparted his knowledge on research process in a systematic manner. He has covered the following topics in writing a grant proposal namely aims and objectives, review of literature, developing a hypothesis, study design, feasibility and ethics, brief note on collecting and analyzing the data and finally publication. He has also emphasized on the parts of a grant proposal and highlighted the areas of research which have high grant weightage.

After the webinar session, our team honoured the speaker of the day Prof. Dr.K.Ranganathan with token of appreciation with a certificate and memento for enlightening post graduate students and staffs on the topic.

The webinar was concluded with the vote of thanks proposed by Dr.S.Prasanna, Senior lecturer, Department of Oral Pathology expressing our gratitude to all those who contributed for the success of the webinar.
