Minutes of meeting

LT REF NO: DEU-CC/CDE/2020/45

15.12.2020

Meeting of the Dental Education Unit & Curriculum Committee

Value education and Health & Hygiene program started at 10:00 am.

All the first years and the CRRI's attended the program through google meet forum and few students attended the lecture from auditorium.

Dr. S. Balagopal (Vice Principal, Academics), Chairman of DEU addressed the gathering and welcomed the speaker Dr. Malathi Selvakkumar, Principal, Collegiate Education, Aachi Educational Research Foundation.

Dr. Chithraa R Chandran, Principal joined the meeting through the online portal and welcomed the speaker of the day and spoke about the importance of continuous Value Education and reminder of the same in every individuals life.

Dr. Geetha Priya, Reader, Department of Conservative Dentistry and Endodontics, gave a brief introduction about the speaker and her accomplishments.

Dr. Malathi Selvakkumar spoke elaborately about ethical values in the life of dentists. She started the presentation saying that "Valueble experience is what ultimately support our students."

She explained the difference between responding and reacting to incidences in life. She spoke about balancing of the different role we have to take during our lifetime. She emphasized on

the importance of anger management. She also added a note on self-love and peace of mind. She mentioned how important it is in this generation as we always tend to work to satisfy others and please others to get a better grade than our peers than self-satisfaction. She cited how there is a talent in each and every one and how they should try to excel in that rather than competing with a person with a different talent. She also emphasized that spending time with friends and family is most important than spending time alone with computers and mobiles. These devices will not come to our aid when we need, only people whom we are close with will do. She also added a note on having empathy and humour than being more materialistic in this generation as spreading love gives more peace of mind. She illustrated a hierarchy of mental health needs and explained the different facets in it.

The best part of the lecture was that for every aspect of Values and health and hygiene she spoke about she exemplified them with stories in her real life and from the various incidences from her experience.

The lecture has truly been eye opening for the students towards the different aspect of life.

The program concluded with a few questions that were answered by the speaker and a lot of appreciations from the students who were attending the program online. Dr Charanya ended the program expressing gratitude to the speaker and the participants.

04-01-2021

Meeting of the Dental Education Unit & Curriculum Committee

Good clinical practices program started at 10:00 am.

All the CRRI's, post-graduates and the staffs attended the program through google meet forum and few students attended the lecture from auditorium.

Dr. S. Balagopal (Vice Principal, Academics), Chairman of DEU addressed the gathering and welcomed the speaker Dr. Nandhini Suresh, Associate Professor, Meenakshi Ammal Dental College

Dr. Chithraa R Chandran, Principal, Tagore dental college and hospital joined the meeting in the auditorium and welcomed the speaker of the day and spoke about the importance of good ethical clinical practice.

Dr. Vandana James, Reader, Department of Conservative Dentistry and Endodontics, gave a brief introduction about the speaker and her accomplishments.

Dr. Nandhini Suresh spoke elaborately about ethical values in the clinical practice. She explained good clinical practice has been a misnomer. She took us down the lane, in the past times when humans were used as trial models for various trials. She explained on how unethical these tests were and the side effects the humans faced due to this. She also gave glimpse of history of how human trials were carried out during Nazi's reign and various other time periods.

Dr. Nandhini Suresh gave a picture of the various acts and amendments that were introduced just to avoid the unethical practice towards human beings. She explained about few acts that favors human beings from being used as gunnie pigs. She enlightened us on how to choose a study and perform those trials on humans. She explained the importance of Consent forms, both verbal and written. It is safe for both the dentist and the patients. She also explained that we should not commercialize the clinical trials and it is done for the benefit of the patients.

The program was concluded by Dr. S. Balagopal, Chairman DEU by giving the vote of thanks.

VENUE	DR.APJ ABDUL KALAM AUDITORIUM, TAGORE DENTAL COLLEGE AND HOSPITAL
DATE	12TH JANUARY 2021
TIME	10.00AM– 11.30AM
PARTICIPANTS	INTERNS AND STAFF OF TAGORE DENTAL COLLEGE AND HOSPITAL
NO OF FACULTY MEMBERS AND STUDENTS PARTICIPATED	89 STUDENTS AND 43 FACULTY MEMBERS

“Arise! Awake! And stop not until the goal is reached!”

On account of the birth anniversary of Swami Vivekananda on 12th January, the Government of India had declared this day as **National Youth Day** since 1985 and this event is celebrated in India every year. The main aim of the Government is to pave a better future for the country by motivating the youth. The theme of national youth day 2021 is ‘**Channelizing Youth Power for Nation Building**’. On this auspicious day the Department of Public Health Dentistry and National Service Scheme (NSS) of Tagore Dental College and Hospital conducted a programme on National Youth Day on Tuesday, 12.01.2021 at Dr. APJ Abdul Kalam auditorium in Tagore Dental College. Around 89 students and 43 faculty members had participated in the program.

The program was started at 10.AM and welcome address was delivered by the principal Dr.Chitraa R. Chandran followed by the speech competition in both tamil and English on **Arise! Awake! And stop not until the goal is reached.** Speech competition was conducted in both online and offline mode. Students and staff members have actively participated in the program.

Staff and students also delivered their speech on the following topics

1. Inspiring stories of Swami Vivekananda’s life-Dr.Mahalakshmi-Dept of Public Health Dentistry
2. Channelizing Youth Power for Nation Building (Theme of 2021- National Youth Day)- Dr.Virudhambal- Dept of Public Health Dentistry
3. Recitations of Swami Vivekananda-Aiswarya(Intern)
4. Education-A powerful weapon-Bhuvaneswari(Intern)
5. Swami Vivekananda’s ideologies on vision to success-Badri(Intern)

A motivational speech was also delivered by Dr.Venkatakrishnan, Vice principal (admin) of Tagore Dental College and Hospital.

All the participants were awarded with the certificates which were given by the heads of various departments.

The program came to an end with Vote of thanks delivered by Dr.Vaishnavi, Reader, Department of Public Health Dentistry. All the students and staff members were asked to disperse at around 11.30 AM having witnessed an absorbing and fulfilling youth day program. We thank our chairperson Prof. Mala mam and our principal Dr. Chitraa.R. Chandran mam for giving us an opportunity to conduct this program.

DATE	4TH FEBRUARY 2021
TIME	09:30 AM TO 12.30PM
PARTICIPANTS	INTERNS AND DEPARTMENT STAFF OF PUBLIC HEALTH DENTISTRY AND ORAL MEDICINE & RADIOLOGY DEPARTMENT

Cancer is one of the leading causes of morbidity and mortality worldwide with approximately 14 million new cases and it is the second leading cause of death globally which is responsible for 9.6 million deaths in 2018

Around one third of deaths from cancer are due to the 5 leading behavioral and dietary risks such as high body mass index, low

fruit and vegetable intake, lack of physical activity, tobacco use and alcohol use. These risk factors are easily modifiable by creating awareness.

Cancer can be prevented and controlled by implementing evidence-based strategies for cancer prevention, screening and early detection, treatment and palliative care.

The world cancer day was observed across the world on **February 4**, with an aim to unite the world's population in the fight against cancer and to save millions of preventable deaths by raising awareness and education about the disease, pressing governments and individuals across the world to take action.

The theme for world cancer day 2021 is

‘I Am and I Will’ which is being continued since 2019

Preventing and fighting this malaise is of paramount importance and we as a society should stand together in our fight against this scourge.

With an attempt to create awareness of cancer and to encourage its prevention, conveying the message that cancer is curable its common detection methods and treatment options available among people living in Karanaipuducheri, Department of Public Health Dentistry, and Department of Oral Medicine & Radiology, Tagore Dental College and Hospital has organized a awareness campaign at Karanaipuducheri.

Permission to conduct the awareness programme was obtained from village head.

Interns have educated the public by performing skit on causes, symptoms as well as about the prevention and treatment modalities of various types of cancer. Need for the program was explained by the village head.

Awareness speech on causes of cancer and how to overcome it about cancer prevention and lifestyle modification, early diagnosis, various types of cancer and its causes was explained by Dr.Vaishnavi, Reader, Department of Public Health Dentistry.

Speech about various dental diseases and its causes, when to visit dentist was explained by Dr.Prabhugandhi, Lecturer, Department of Oral Medicine & Radiology

Cancer screening was also done individually for all the people attended the awareness program

All the students and staff members had actively involved in creating awareness among general public on cancer prevention and treatment modalities. The response from the public was very good .It was a great eye opener for the general public as they posed all their queries about cancer prevention and got them answered. These small acts on world cancer day should have made phenomenally powerful impact this year.

Department of Public Health Dentistry and Oral Medicine & Radiology thank all the students for spreading the word and who do the work every day to create a healthier, brighter future for all.

And, to everyone who believes that a world without cancer is a world worth speaking up for.

We thank our chairperson Prof. Mala mam and our principal Dr. Chitraa. R. Chandran mam for giving us an opportunity to conduct this program.

Minutes of meeting

OFFICE ORDER NO 17/ADMIN/2021

10-02-2021

MENACE OF RAGGING program started at 10:00 am.

The first years, final year and the CRRI's attended the program in the auditorium.

The students were shown videos of anti-ragging from university grant commission website for their knowledge regarding the topic of the day.

Dr. C. Charanya, Senior Lecturer, Department of Conservative Dentistry and Endodontics, welcomed all the students and the faculties to the program. She gave an outline of the program and invited principal mam to address the gathering.

Dr. Chithraa R Chandran, Principal welcomed the speaker of the day and spoke about ragging and ensured safety and security of the students.

Dr. Geetha Priya, Reader, Department of Conservative Dentistry and Endodontics, gave a brief introduction about the speaker and her accomplishments.

Advocate Geetha Rajan spoke about the definition of ragging, the ingredients are which are part of ragging in the college. She explained the ways to handle the scenario. She gave an elaborate idea about the functioning of the penal code of India.

The speaker with a warmth of mother also asked to the students to maintain the decorum of the college and not to involve in unnecessary issues.

Dr. Vandana James, Reader, Department of Conservative Dentistry and Endodontics, Secretary of Anti-Ragging squad, gave the vote of thanks. She also informed the

students about how the Anti-Ragging committee of the college functions and how approachable they are in case of need.

Dr Charanya ended the program expressing gratitude to the speaker and the participants. 85 members participated in the program.

Report was prepared by Dr. S. Balagopal and Dr. C. Charanya

DENTAL PRACTICE MANAGEMENT

Student Welfare Committee and Incubation Cell organized a Live Webinar via Google Meet for the Interns on the topic – Dental Practice Management – by Mrs. Nisha Rinesh, Jerusalem Engineering College, Chennai at the A. P. J. Abdul Kalam Auditorium, Tagore Dental College on Saturday, 20th February 2021. The program was also conducted on an online platform using Google Meet for students at home due to corona restriction. The speaker was introduced to by Dr. Mahalakshmi, from Department of Orthodontics and Prof. Dr. Jayaprakash, Head of Department, Department of Pedodontics, was presided over the meeting and gave his inputs about private practice for interns.

Mrs. Nisha spoke extensively about various dental practice opportunities both in India and abroad after completing BDS. She also guided the interns about establishing a new practice, joining a practice, combined practice and corporate practice. She thoroughly guided the students about the apprehensions, doubts, finance options, patient management extensively which was very useful for the students. The webinar was very lively and interactive by mentioning lot of personal anecdotes and experience based observations also.

Mrs. Nisha concluded her speech by answering all questions posed by the eager students which ranged from the cost of new practice to the various qualifying exams that need to be written for pursuing their practice at aboard.

Dr. D. Doreen Robin is the director of Computational Intelligence Research Foundation. She received her B.Tech in Information Technology from Madras University, Chennai, M.E in Computer Science and Engineering from Anna University, Chennai and Ph.D in Computer Science and Engineering from Anna University. Her research interests include Parallel and Distributed computing, Peer to Peer computing, Grid Computing, Cloud Computing and Big Data Analytics. Previous positions include Professor & Head at Loyola ICAM College of Engineering and Technology in the Department of Information Technology. Assistant professor at the Department of Computer Science and Engineering, Sri Venkateswara College of Engineering, Chennai Teaching Research Associate at the Department of Computer Science , Anna University, Chennai and Assistant Professor at the Department of Information Technology, SSN College of Engineering, Chennai.

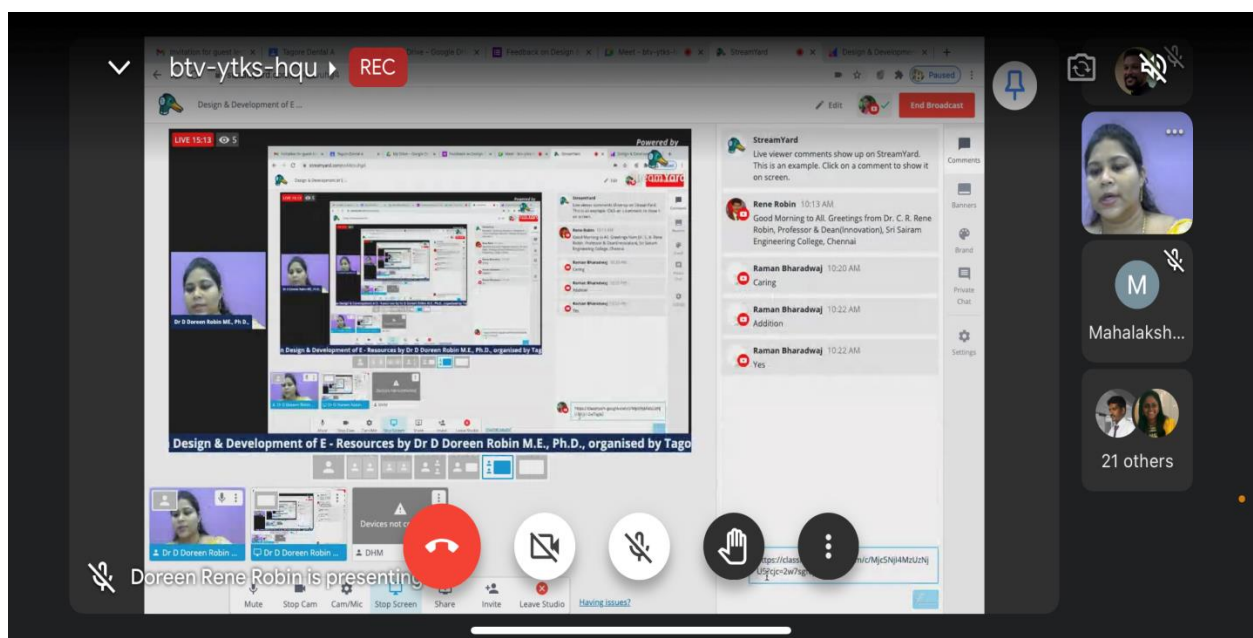

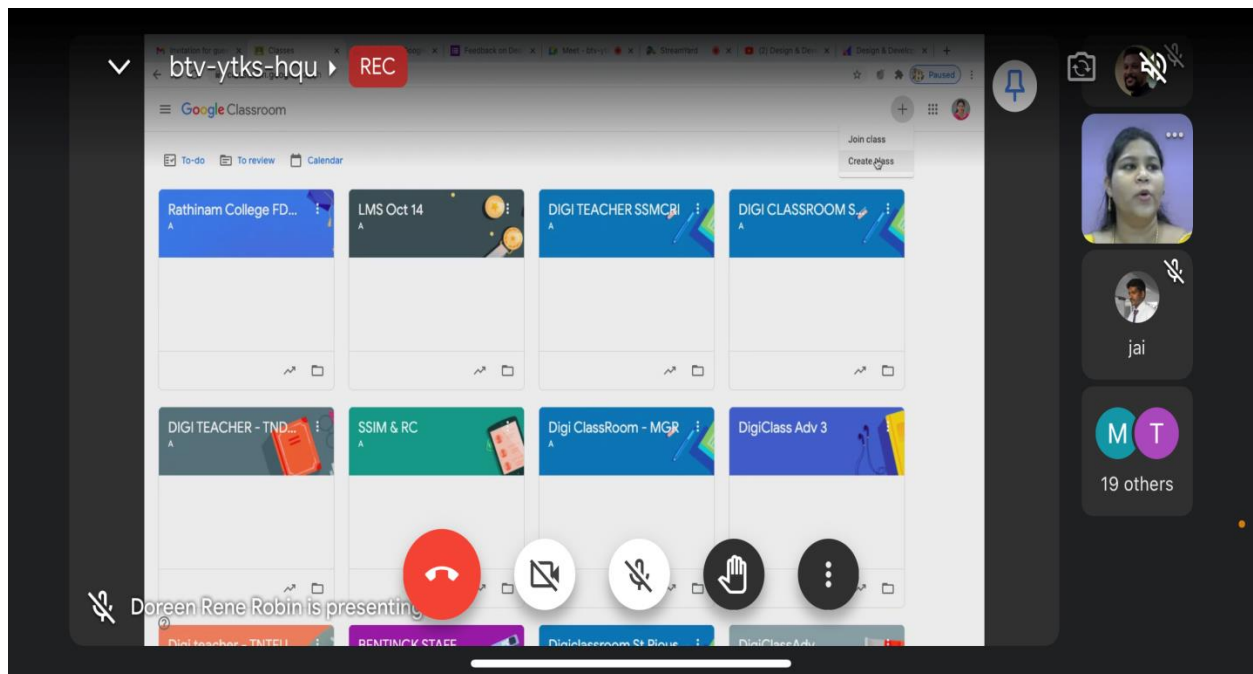

She has published about 30 papers in International and National Journals and Conferences. She is a life member of ISTE. She is a reviewer for Computer and Electrical Engineering Journal and Future Generation Computer Science journal. She had been the resource person for the workshop on Digital Class Room, Big Data Analytics using Hadoop, Data Science using Python, Machine Learning, Deep Learning, Cognitive Computing, Software Testing.

OFFICE ORDER NO/25/ADMIN/2020

Date:29.01.2020

CIRCULAR

There will be a gender harassment awareness programme for I year, II year and III year students on **4.02.2020** by Advocate Maragatha Sundari at **1.00pm** in auditorium. Request all the departments to relieve the students.

29/1/2020
PRINCIPAL

GENDER HARASSMENT AWARENESS PROGRAMME

Guest Speaker: Advocate Maragadha Sundari

Date: 04/02/2020

Venue: APJ Abdul Kalam auditorium, Tagore Dental College &
Hospital

Number of participants: 199 students

Gender harassment awareness programme was arranged by Department of Periodontics. Advocate Maragadha Sundari was invited as guest speaker. The programme started at 1.30pm in the auditorium of Tagore Dental College. Advocate Maragadha Sundari was introduced to the first, second and third year students. She gave an overview of the various sections in which harassment charges are categorized. She talked briefly about the types of harassment in different environments. She also told about the varied age group who are subjected to harassment.

Mrs Maragadha Sundari highlighted how students should be bold enough to speak out for their rights. If they can speak for their rights, harassment could be prevented. She emphasized that more usage of social media leads to unwanted trouble. Students should be meticulous in choosing their friends and be careful while using social media. The session was an interactive one. Advocate Margadha Sundari also quoted few cases, which are very severe cases of gender harassment. Students should be well aware of such cases and be alert about their surroundings. They should be able to distinguish between friendly approach and harassment.

Mrs Maragadha Sundari was felicitated with a memento by VicePrincipal, Dr CJ Venkatakrishnan. The programme concluded with a vote of thanks by Dr Bhuvaneswari.

TAGORE DENTAL COLLEGE & HOSPITAL

TDC&H/OFFICE ORDER/ICC/2021/03

18/02/2021

CIRCULAR

There will be a guest lecture on **GENDER SENSITIZATION** by **Mr Karunandhi, (Retired Superintendent of Police)** on **23rd Feb 2021** at **11 am** in auditorium. Kindly request the first year, final year and CRR1 to attend the lecture.

PRINCIPAL

GENDER HARASSMENT AWARENESS PROGRAMME

Guest Speaker: Mr Karunanidhi Retd Superintendent of Police

Date: 23/02/2021

Venue: APJ Abdul Kalam auditorium, Tagore Dental College &
Hospital

Number of participants: 98 students and 15 faculties

Gender sensitization programme was arranged by Internal Complaint Committee. Mr Karunanidhi Retd Superintendent of Police was invited as guest speaker. The programme started at 11 am in the auditorium of Tagore Dental College. Mr Karunanidhi Retd Superintendent of Police was introduced to the students gathered in the auditorium. He was felicitated by VicePrincipal, Dr CJ Venkatakrishnan.

The chief guest enlightened the students on how people get victimised easily by others. One should be able to identify the right persons to be chosen as friends. He also emphasized unnecessary contacts should be avoided and to be cautious in communicating with the people surrounding us especially through social media like facebook, instagram and whatsapp.

He quoted several incidents of crime, which happened due to gender harassment. He made the point clear to the students that they have to report any undue happenings to their parents or staffs in college so that they could be guided and would be helped to resolve the problem.

He also added that each individual should be bold enough to face any situation and focus on their goals.

VicePrincipal, Dr CJ Venkatakrishnan gave the vote of thanks and gave a memento to Mr Karunanidhi.

Report prepared by Dr Bhuvaneswari, Convenor, ICC committee

WOMENS DAY CELEBRATION 2021

08/03/2021

To commemorate International womens day on 08/03/2021, Tagore Dental college in collaboration with Tagore Medical College organized an event to celebrate the women achievers. The chief guest for the program was Ms. Swetha Sudhakar C, Founder-Director, Born 2 win Social Welfare trust. The guest of honor for the celebration was Prof. Dr. M. Mala, Chairperson, Tagore Group of Institutions and Ms. Rakshana, Junior Trustee, Tagore Group of Institutions. Dr. Chitraa R Chandran, Principal, Tagore Dental College and Dr. Kumutham Lingaraj, Medical Director, Tagore Medical College honored the event by their presence. The theme for this year was 'Choose to Challenge'.

The program started with the auspicious lighting of kuthuvizhaku. Prof. Dr. M. Mala addressed the gathering. This was followed by the inspiring speech by the chief guest Ms. Swetha Sudhakar. She emphasized the importance of women receiving equal rights as men in all aspects. She spoke about the importance of accepting and appreciating the differences found in every woman. She finally concluded by saying that every woman should stand up for their rights in the society.

All the women achievers of the teaching and non -teaching faculty were honored with an appreciation award.

BASIC & BEYOND PHOTOGRAPHY

In dentistry, photographs play a very important role in day to day academics and clinical practice. Photographs are an integral component in presentations, publications, documentation and also in patient education. It is very prudent for the dentist to be good in photography and to be able to make reasonably good pictures.

REPORT ON

“BASICS BEYOND PHOTOGRAPHY -WORKSHOP “

TITLE OF THE CDE PROGRAM: BASICS BEYOND PHOTOGRAPHY

ORGANIZER: Department of Oral and Maxillofacial Surgery, Tagore Dental College & Hospital

DATE: 9.3.2021

LEARNING OUTCOME: To acquire detailed knowledge on basics in photography and Clinical Photography .

VENUE: Tagore Dental College and Hospital.

FACULTY:

DR. RAVI HEBBALLI

Oral and Maxillofacial Surgeon

Director - Magicarpet Wildlife Travels Ltd, Nairobi

General Secretary – AFAASI

www.ravihebballi.com

Under graduation: Ambedkar Dental College, Bangalore

Post graduation: SDM College of Dental Sciences, Dharwad.

NOTE ON THE SPEAKER:

One of his hobbies since younger days has been PHOTOGRAPHY. He has always had a very keen interest in the art & science of photography and has pursued his interest since college days and always made use of opportunities to learn more and more in the field of photography.

From the past few years he has been able to make time to pursue this interesting hobby and has gained a lot of knowledge and experience in photography. He is a keen wildlife photographer and regularly conducts and organises wildlife photography tours to Kenya, Tanzania, Ranthambore, Kabini, Bandipur and other wildlife parks. He has been instrumental in actively conducting various workshops and lectures and presentations on photography on many occasions for different groups of photography enthusiasts. He regularly conducts his monthly Hands on Workshops in Basic Photography and workshops across the country.

TOPICS COVERED:

1. Basics In Photography
2. Camera Handling And Frame Composing
3. Indoor And Dim Lighting Management
4. Clinical Photography
5. Gadget Requirement And Selection In Photography

VALEDICTORY SESSION	4.15PM-4.30	DR.S.JIMSON
THANK YOU NOTE	4.30-4.35PM	DR.S.JIMSON

Welcome address was given by Prof.Dr.S.Jimson. The Principal Prof.Dr.Chitraa R. Chandran addressed the gathering and gave an insight into the scope of the program.

The first lecture started at 10 am and was given by Dr.Bhavani Shankar, Scientist – D, ICMR, NIE, on the topic “Overview of systematic review and meta-analysis. The lecture was followed by a discussion session.

The second lecture was presented by Dr.Rizwan Suliankatchi, Consultant, ICMR, NIE, on the topic “Framing the Review Question”. The lecture was followed by a discussion. A short tea break of 25 minutes was allowed after the second lecture.

The third lecture of the program started by 11.30 am. The lecture was presented by Dr.Rubesh Kumar.PC on the topic “Framing the eligibility criteria”. The lecture was followed by a discussion. The Fourth lecture was presented by Dr.Gilbert M. Majella, on the topic “sources of literature”.

The lunch break was provided between 12.40pm - 1.15pm.

Fifth lecture was given by Dr.Ganesh Kumar, on the topic “Strategies for searching evidence”. The lecture was followed by a discussion.

The sixth lecture was by Dr.Jayashree, on the topic “Screening, selection and data abstraction process”. Following the lecture there was a discussion session. The seventh lecture for the day was given by Dr.Saravana Kumar.V, Scientist-B, ICMR-NIE, on the topic “Assessing bias and data synthesis”. The lecture was followed by a discussion session.

The eighth lecture was given by Dr.Ganesh kumar .P and Dr.Rizwan SA on the topic “**PRISMA -P and protocol registration**”. The lecture was followed by a discussion session.

The program was attended by 158 members (12 interns, 6 post-graduate trainees and 7 staff members) from Tagore Dental College and 133 members from other institutions both national and international. The program received a good feedback from the participants.

World Health Day Celebrations 2021

07.04.2021

The Department of Periodontics, Tagore Dental College celebrated World Health Day on Wednesday, 07.04.2021 under the guidance of Dr. Chitraa R Chandran, Principal and Head (Periodontics), Tagore Dental College and Hospital.

Oral Health Awareness Lecture (Google Meet)

The Department of Periodontics, Tagore Dental College organized an online health awareness lecture via Google Meet application for students of **Tagore Engineering College, Chennai**. The Speaker of the Day was Dr.B.Bhuvaneswari, M.D.S., Professor, Department of Periodontics, Tagore Dental College and Hospital and she gave an enlightening talk for 30

minutes focused on creating oral hygiene awareness and educating them on the systemic implications of poor oral hygiene. The lecture was attended by 70 participants.

Following the lecture, a general health awareness camp was conducted for the faculty of Tagore Engineering College. The team consisted of Dr.B.Bhuvaneswari, Dr.T.Parthasaradhi, Dr.Juala Catherine, Dr.Vignesh Vikram and interns Ms.Rajeshwari, Ms.Preetha, Ms.Nithyashree, Ms.Navapriya, Ms.Varshini, Ms.Ragavi, Ms.Pooja, Mr.Tanish, Mr.Vijay and staff nurse Ms.Arthi.

All covid-19 protocols were strictly adhered to wherein all participants were provided hand sanitizer prior to their medical examination and all the interns were wearing gloves and N-95 masks during their interaction with participants.

Blood pressure, body weight and blood glucose levels were checked for all participants and the interns explained about the significance of any variations in these parameters to all participants. On examination, the blood glucose level for a participant was found to be 470 mg/dl and the features of diabetes mellitus was explained to the participant and advised to seek further medical advice following this.

A total of 15 participants were benefitted out of this programme.

PROGRAM OVERVIEW

AT TAGORE DENTAL COLLEGE

1. Skit on health awareness
2. Game show
3. Interactive session with public
4. Pamphlet distribution
5. Vote of thanks

AT HILTON MATRICULATION SCHOOL, CHROMPET

1. Awareness talk
2. Examination of BMI , BP, BLOOD GLUCOSE LEVEL for the working staff of the school

PROGRAM DETAILS:

The program started with a welcome note by Dr. Lakshmi, Senior Lecturer Dept of Public Health Dentistry followed by a small skit played by the interns of our department.

The skip was performed for duration of 20 minutes; the core concepts demonstrated by the students are as follows:

1. Take care of our physical as well as mental health- talk to someone in case of depressions
2. Avoid obtaining medical information from unauthorised sources like social media platform
3. Always buy medications using valid prescriptions, do not misuse antibiotics usage through OTC
4. Breaking oral myths.
5. And finally importance of hand washing and measures for preventing COVID infection.

The hand washing technique was performed by student and the audience were asked to repeat the same to check their compliance.

The skit was followed by a small game show where different varieties of food groups were placed on the table and the audience were asked to select one group and talk about the same. Later the students explained in detail about the food groups, the nutrient it contains and its effect on our oral and general health. The response to program was quite good with about 25-30 participants in both the events.

Following this, we had an interactive session by the staff members of Public Health Dentistry department with the public to clarify their doubts and enlighten their knowledge horizon.

Pamphlets in Tamil depicting healthy habits, Covid preventive measures were distributed to the public to increase their awareness about the current situation.

The celebration came to an end with, the vote of thanks given by Dr. Vaishnavi, Reader (HOD in charge), Department of Public Health Dentistry followed by a group photo.

Later a team of 4 house surgeons along with Dr Kumar Raja, Senior Lecturer, Dept of Public Health dentistry visited Hilton Matriculation School, Chrompet to spread the awareness on healthy lifestyle and measures to combat COVID infections.

A small talk by the interns about various healthy habits was imposed to the staffs of the school using a power point presentation. Then the team examined the BMI, BP and blood glucose for both teaching and non-teaching staffs.

All the students and staff members had actively involved in creating awareness among general public on healthy lifestyle and Covid prevention. The response from the public was very good .It was a great eye opener for the general public as they posed all their queries and got them cleared through expert opinions . These small acts on world health day ensure that communities are at the forefront in decision-making processes as we move forward to a new future, and that everyone has living and working conditions that are conducive to good health.

NSS unit of Tagore dental college and hospital heart fully thank all the students for their active participation in making the program a grand success.

Summary

Topic	Workshop On Basic Research Metrics
Date	19/04/2021
Resource person	Dr. I.Kannan, Associate Professor, Department of Microbiology, Tagore Medical College and Hospital
Total Number of participants	48 participants (Staff 31, Post Graduate 17)
Organizing Department	Department of Oral and Maxillofacial Pathology

The Department of Oral and Maxillo-facial Pathology, Tagore Dental College & Hospital, conducted workshop on “**Basic Research Metrics**” on 19th April 2021, Monday in Dr.A.P.J.Abdul Kalam auditorium. 48 participants including post graduate students and staff, from Tagore Dental College and Hospital had attended the program. The speaker for the day was Dr. I. Kannan, Associate Professor, Department of Microbiology, Tagore Medical College and Hospital. The programme was conducted with an outline to impart the knowledge on journal metrics and author metrics to the staffs and post graduates of the dental college.

The program started with Introduction by Dr. S. Prasanna, Senior lecturer, Department of Oral Pathology followed by Inaugural speech from the Principal, Dr. Chitraa R Chandran, followed by motivational talk by Dr. S. Jimson, Vice Principal (Research and Development). This was continued with introduction of speaker for the day Dr. I. Kannan by Dr P. Sai Krishna, Prof and HOD, Department of Oral and Maxillofacial Pathology.

The workshop was started as planned on the topic for a period of one hour with practical demonstration. He has imparted his knowledge on research metrics in a systematic manner. He has covered the following topics, author metrics, journal metrics, author registration in scopus, web of science, medline, H – index calculation.

Speaker of the day Dr. I. Kannan was facilitated with with token of appreciation with a certificate and memento by Vice Principal (Research and Development).

The workshop was concluded with the vote of thanks given by Dr. V. Jai Santhosh Manikandan, Senior lecturer, Department of Oral Pathology expressing our gratitude to all those who contributed for the success of the workshop.

Name of the program	PROFESSIONAL ETHICS IN DENTAL PRACTICE
Program Category	Students awareness program
Date	26/04/2021
Day	Monday
Venue	TDC Auditorium
Organizers	DEU Committee
Number of participants	57
Resource person	Dr. Chitraa R Chandran

An awareness program was conducted for the CRRI students on PROFESSIONAL ETHICS IN DENTAL PRACTICE organized by the DEU. The resource person was Principal, Dr Chitraa R Chandran, who addressed the CRRI students.

The focus of the lecture was on the following:

- 1) Patient Dentist Relationship – Dr. Chitraa briefly explained about the various models in the patient dentist relationship: Paternalistic model, Informative model and interpretive model. She explained the importance of maintaining a proper relationship with the patient.
- 2) Ethical principles to be followed by a dentist:
 - No harm should be inflicted to the patient.
 - Always focus to do good to the patient
 - Dentist should respect the patients and the details should be kept confidential. It is mandatory to get informed consent for all the procedures.
 - Always do justice to the patient and their treatment.

 - Dentist should respect the patients and the details should be kept confidential. It is mandatory to get informed consent for all the procedures.
 - Always do justice to the patient and their treatment.

- 3) Work Ethics – She emphasized that truth will always build trust. Even in a Corporate Set up dentist should follow this principle.
- 4) Consequences of Unethical practice. - Should never practice unethically. It would lead to several untoward consequences. It was insisted that unethical practice of unwanted treatment and fees should not be done.

The lecture gave information to the students how ethically the dental practice should be done either in private, corporate or own clinic or even when working in another clinic and the importance of ethics in dental practice.
