PROGRAM REPORT

Public Health Dentistry Day is celebrated on 19th June every year since 19th June was a Sunday, Department of Public Health dentistry, Tagore dental college and hospital celebrated 'Public Health Dentistry Day' on June 18TH and 21ST in a grand manner

The department expressed their joy of being public health dentist by conducting the following events for Undergraduate dental students of Tagore dental college and hospital

QUIZ COMPETITION:

On behalf of Public Health Dentistry Day quiz competition was organised by the department of Public Health Dentistry for the final year students on 18th June 2022 from 2PM to 3PM in the final year Lecture Hall. Initially the students were split into 8 group with 6 students in each group and they were assigned with a team name. The quiz was conducted in 4 different rounds. The first and second round was the MCQ round where the all the students were given 10 seconds to answer and among the 8 groups 6 groups were qualified to the next round based on the scores. The third round was picture-based questions where pictures related questions were displayed and students were given 15 seconds to question. Among the 6 groups 4 groups were qualified for the last round. The last round of the quiz was rapid fire round where the students were given a set of 10 questions and time given was 1 minute to answer and among the 4 groups 2 groups were selected as winners and runners based on the scores respectively and stationeries were given as a gift for the winners and runners on the 21st June 2022 in the Public Health Dentistry Day celebration in the APJ Abdul Kalam auditorium.

The event was hosted and judged by Dr. Vaishnavi, Reader and Head (IC) and Dr. Soundarya, Senior Lecturer, Dept of Public Health Dentistry and Dr. Mahalakshmi, Lecturer, Dept of Public Health Dentistry, Tagore Dental College and Hospital.

PHD DAY CELEBRATION

The program started at 12:00 Noon in a traditional way and welcome address was delivered by the Dr. Vaishnavi, Head (in charge) of Department of Public Health Dentistry.

A speech was delivered by Dr. Venkatakrishnan Principal of Tagore Dental College highlighting the importance of the public health dentist and he also praised the department for the marvelous work rendered by the department to the community and also appreciated the department for conducting numerous camps in and around Chennai.

Following the principal Dr. Balagopal, Vice principal (academics) of Tagore Dental College and Hospital delivered a speech by congratulating the department for the fantabulous support rendered by the department and also praised for the outreach program conducted by the department across Chennai and he also appreciated the traditional theme which was followed through out the celebration.

Lately traditional snacks and refreshment were provided to the staff members and students a finally vote of thanks was delivered by Dr. Vaishnavi, Head (in charge) of Department of Public Health Dentistry.

Department of Public Health Dentistry heart fully thank all the students for their active participation in making the program a grand success

We thank our chairperson Prof. Mala mam and our principal Dr. Venkatakrishnan sir for giving us an opportunity to conduct this program.

PROGRAM REPORT

World health organization celebrates 14th June every year as “World Blood Donor Day”. The aim of this celebration is to raise awareness on blood and its products transfusion at global level. It also provides an opportunity to awaken the government and other health agencies to provide adequate awareness and infrastructure to increase the collection of blood from voluntary and healthy donors. Safe collection and transfusion of blood and its products is a crucial aspect of care and public health.

To ensure that everyone who needs safe blood has access to it, all countries need voluntary, unpaid donors who give blood regularly. Throughout the COVID-19 pandemic, despite limited mobility and other challenges, blood donors in many countries have continued to donate blood and plasma to patients who need transfusion. This extraordinary effort during a time of unprecedented crisis highlights the crucial role of well-organized, committed voluntary, non-remunerated blood donors in ensuring a safe and sufficient blood supply during normal and emergency times.

Focus of this year's campaign

For 2022, the World Blood Donor Day slogan will be “Donating blood is an act of solidarity. Join the effort and save lives”. According to the WHO, the theme will put light on the roles that voluntary blood donation plays in saving lives every year across the globe. The specific objectives of this year's campaign are to:

- Thank blood donors in the world and create wider public awareness of the need for regular, unpaid blood donation;
- Highlight the need for committed, year-round blood donation, to maintain adequate supplies and achieve universal and timely access to safe blood transfusion;
- Recognize and promote the values of voluntary unpaid blood donation in enhancing community solidarity and social cohesion

In light of this focus, NSS unit of Tagore dental college and Hospital conducted a lively talk on "Donate blood, Join the efforts and save a life".

PROGRAM DETAILS

A live Lecture was arranged by the NSS unit of Tagore Dental College on '**DONATE BLOOD, JOIN THE EFFORT& SAVE A LIFE**' at APJ Abdul kalam auditorium, Tagore Dental College and Hospital. Around 83 participants including faculties and students participated. The show was hosted by Dr Vaishnavi, Chairman, NSS Unit and was inaugurated by Dr. Sai Krishna, Head and Professor, Dept of Oral and Maxillofacial Pathology, Tagore Dental College and Hospital.

He spoke about the importance of blood donation and activities carried forward by the NSS unit over the past years. He emphasised that safe blood donation is a critical aspect of Public Health and patient.

The star of the show was Prof Dr. C.P.Luck MD, Pathology Head and professor, Dept of Pathology, Tagore Medical College and hospital; she had obtained both her degrees from Kilpauk Medical College. She is also proficient in analysing blood mismatching, typing and various histopathologies.

The show started with the dynamic talk by Dr Luck who spoke on the tagline "**DONATE BLOOD, JOIN THE EFFORT& SAVE A LIFE**". She explained the meaning of this theme and made elaborate explanations for frequently asked questions regarding blood donation. Around 100 participants had attended the program.

She paved a way to break the doubts which have been lingering in the minds of many with respect to the safety aspect of blood donation for the self and others. She also highlighted about the blood grouping and importance of donating blood.

The lively session had a spirited Q and A session at the end where the participants clarified their doubt. This program ended with a vote of thanks by Dr. Vaishnavi, Chairman, NSS Unit, Tagore Dental College and Hospital.

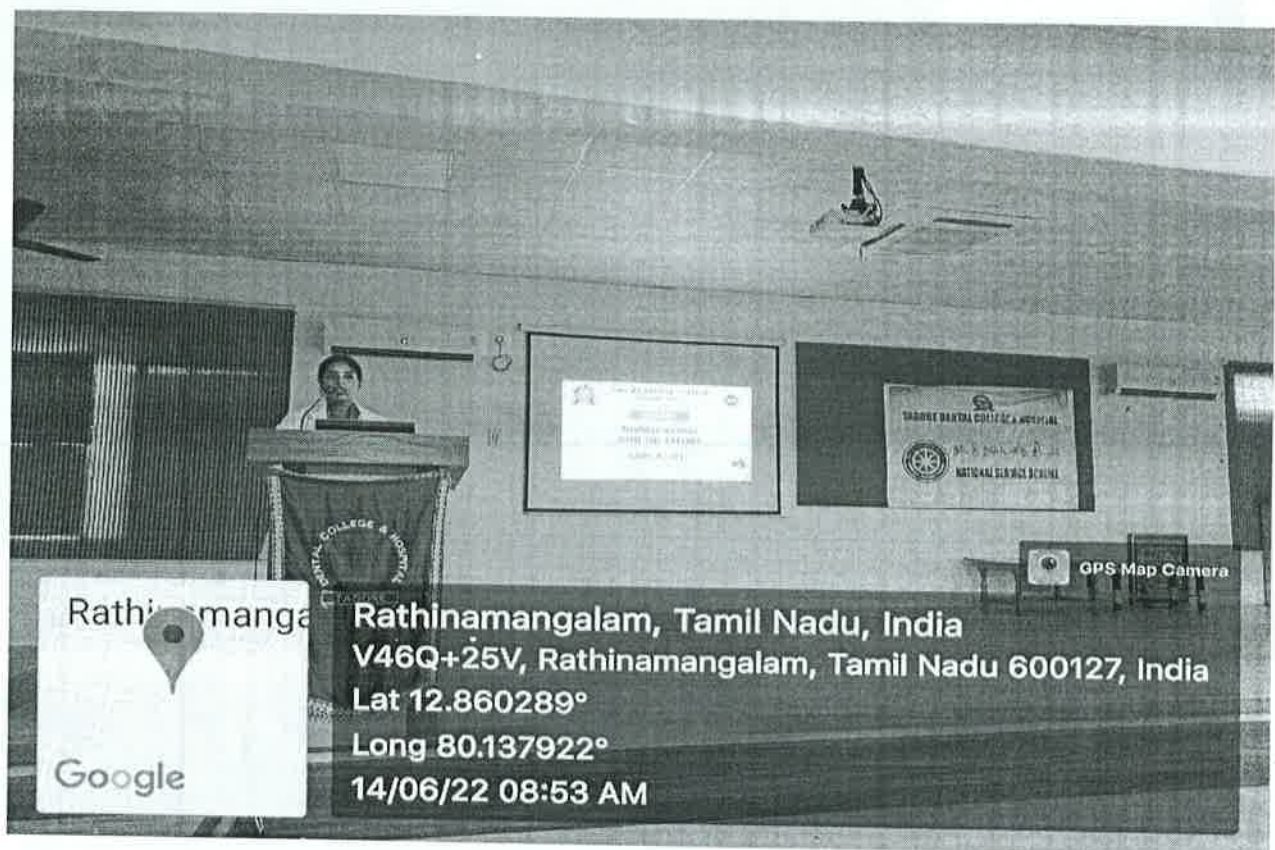

The certificate and memento to guest speaker was presented by Dr. Sai Krishna, Vice Principal (Administration)

Certificate of appreciation was given to students for donating blood in a blood donation camp conducted by Department of transfusion medicine, Tagore Medical College and NSS Unit of Tagore Dental College and Hospital on 18th February 2022.

The NSS unit thank our Chairperson Prof M. Mala mam and Principal Dr. C.J Venkatakrishnan sir for encouraging and giving us an opportunity for organizing this program

World Diabetes Day Celebrations 2022

16.11.2022

The Department of Periodontics, Tagore Dental College celebrated World Diabetes Day on Wednesday, 16.11.2022 at Keerapakkam, Chennai. The event was focused on creating diabetes awareness and oral health awareness among the public and educating them on proper oral hygiene maintenance.

The team consisted of Dr.B.Bhuvaneswari, Dr.T.Parthasaradhi, Dr.Juala Catherine, Dr.Mugil, Dr.Indumathi, Dr.Sathyasri and staff nurse Ms. Aarthi. The team visited keerapakkam village and screened the daily wages workers.

The interns (CRRI) assessed the Blood Glucose Level, Blood Pressure and Oral health status of the public. They also gave a small presentation explaining the significance of blood glucose level maintenance and the influence of blood glucose on oral health. They emphasized that improvement in oral health can reduce the diabetic complications

Oral hygiene instructions were given to the workers pertaining to their oral health status and 3D models were used to demonstrate proper tooth brushing technique.

A total of 100 workers benefitted out of this programme.

PROGRAM OVERVIEW

Brushing has long been established as an effective method of cleaning the teeth. The objective of tooth brushing is to accomplish two things; to prevent decay and gum disease and to remove the buildup of plaque on exposed surface of the teeth.

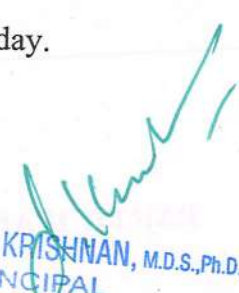

NSS unit and Department of Public Health Dentistry, Tagore Dental College and Hospital conducted the tooth brushing day Program on 05th November 2022. Since maintaining oral cleanliness is the essential part of healthy living, staffs and CRRI students from NSS unit along with Department of Public Health Dentistry conducted an awareness program at IGM children home, Pandur. The children were taught how to brush their teeth and they were taught the importance of brushing

Stationaries including pencil pouch, Pencils, sharpners, erasers and tooth brushes and pastes were given to the students of **IGM children home, Pandur**

Finally oath was taken by the student about tooth brushing.

We thank the institution and our chairperson Prof. Mala mam and our Principal Dr. Venkatakrishnan C.J sir for the motivation and rendering us such an opportunity to conduct this program.

NSS unit of Tagore Dental College and Hospital and Department of Public Health Dentistry thank all the students who helped us in conducting tooth brushing day.

Rathinamangalam

The Department of Periodontics, Tagore Dental College celebrated National Toothbrushing Day on Saturday, 05.11.2022 at IGM Children Home, Pandur, Rathinamangalam. The event was focused on creating dental awareness and educating the proper tooth brushing techniques among children and educating them on proper oral hygiene maintenance.

Oral health awareness programme

The Department of Periodontics, Tagore Dental College organized an awareness programme on toothbrushing and oral hygiene for school students at Government High School, Rathinamangalam. The team consisted of Dr. B.Bhuvaneswari, Dr. T. Parthasaradhi, Dr. Juala Catherine, Dr. Mugil, Dr. Indumathi and Dr. Sathya Sri.

50 Children were assembled and a skit in local language was enacted by the interns which depicted the occurrence of dental caries in children due to lack of maintenance of oral hygiene, improper brushing, use of unhealthy practices like eating sticky foods, junk foods and using sharp objects to remove food particles from teeth.

The importance of toothbrushing twice a day and the proper method of brushing in dental caries prevention and for maintenance of good oral hygiene was highlighted. This was followed by an

PROGRAM REPORT

World anti-Obesity Day is a Global awareness event that happens annually on 26th November. The primary goals of the day are promoting solutions to the obesity crisis, raising awareness, supporting advocacy and improving policy around the issue of treating and preventing obesity.

Obesity is defined by the World Health Organization (WHO) as "Abnormal or excessive fat accumulation that presents a risk to health". Obesity causes significant health, economic and social burdens every year.

Obesity is responsible for a number of illnesses including diabetes, liver disease, heart disease and many types of cancer. World Obesity Day was first launched in 2015 by the World Obesity Foundation, a registered charity made up of over 50 regional and national obesity associations.

Objectives:

- Raising awareness about healthy dietary patterns and risks of adopting unhealthy dietary system.
- Raising awareness about obesity risks.
- Encouraging physical activity for at least 30 minutes a day.
- Highlighting MOH's services to lose excess weight.

PROGRAM DETAILS

As a part of anti-obesity day 2022, awareness programme was organized on 23rd and 24th November 2022 by the Department of Public Health Dentistry and NSS unit of Tagore dental college & Hospital for OPD patients, teaching staff and non-Teaching staff.

Body mass index (BMI) is the recommended method for diagnosing overweight and obesity. It evaluates the relationship between body weight and height.

We calculated BMI using the formula.

$BMI = \frac{kg}{m^2}$ where kg is a person's weight in kilograms and m² is their height in metre square. After calculating we categorized patients and staff as: underweight, normal, overweight, and obese.

The program started at 9.AM on 23rd of November. Height and weight of all the patients attended dental OPD and non-teaching staff of college were checked on 23rd November and BMI was calculated using BMI calculator mobile application. Sweets were given to the patients with normal BMI as a token of appreciation. Red card was given to patients having higher BMI and awareness was given to the patients having higher BMI.

On 24th of November BMI was calculated for all the teaching staff of college.

We thank our Principal Dr.C.J. Venkatakrishnan sir and Prof.Mala mam for the motivation and rendering us such an opportunity to conduct this programme.

REPORT CONTENT

Youth Red Cross unit of Tagore Dental College and Hospital organized an awareness program on the theme **“Common disease affecting Oral Cavity”** to spread and create about common disease of oral cavity to the OPD patients visiting to Tagore dental college and hospital on the occasion of World Diabetes Day.

First year students were divided into 6 teams and were instructed to make charts regarding common diseases of oral cavity. All students actively participated and made their respective charts.

These charts were displayed to the OPD patients who visited to the dental college on 15-11-2022 and staffs of our college also made a look the awareness exhibition.

We thank our Chairperson Prof M. Mala mam and Principal Dr. C.J Venkatakrishnan sir for encouraging and giving us an opportunity for organizing this program.

PROGRAM OVERVIEW

AMMA APPA OLD AGE HOME

1. Health awareness talk
2. General Examination – Height, weight, Blood pressure.
3. Free Dental Screening Camp
4. Distribution of Sarees, Towels, Tooth pastes.

PROGRAM DETAILS

The International Day of elderly Persons is observed on October 1 each year. On December 14, 1990 the United Nations General Assembly voted to establish October 1 as the International Day of Older Persons as recorded in Resolution 45/106. The overall umbrella theme for the United Nations International Day of Older Persons in 2022 is “**Resilience of Older Persons in a Changing World**”.

Thus, in order to celebrate international day for older persons NSS unit of Tagore Dental College and Hospital along with Department of Prosthodontics and Public Health Dentistry organized an awareness camp for elders at **Amma Appa Old Age Home, Mannivakkam**. On 27th October 2022

The program was headed by Dr. Soundarya, Senior lecturer, Department of Public health Dentistry and Dr. David, Lecturer Department of Prosthodontics along with five CRRI students. Prior permission was obtained from the officials of Old Age home before the program.

The program was started around 10.00 A.M were our CRRI students gave health awareness talk which lasted for around 30 minutes were important issues like COVID protocols, mental health, oral health, brushing technique were discussed.

Then CRRI students performed general and oral health examination for all elders in the old age home. They were reported about the findings and those who required treatment were referred to our college.

The celebration came to an end with distribution of saree, tooth brush and paste to all elders in the old age home.

NSS unit of Tagore dental college and hospital heart fully thank Management, Principal and CRRI students for making the program a grand success.

PROGRAM DETAILS:

Every November 14, World Diabetes Day is commemorated, which is an opportunity to raise awareness about the impact of diabetes on the health of people. It also seeks to highlight the opportunities to strengthen the prevention, diagnosis, and treatment of diabetes. This year, the theme is "Education to Protect Tomorrow".

Thus, in order to celebrate World Diabetes Day, NSS unit of Tagore Dental College and Hospital along with Department Public Health Dentistry and periodontics organized an awareness camp for general public at Keerapakkam village

The program was headed by Dr.B. Kumara Raja, Senior lecturer, Department of Public health Dentistry and Dr. Indhumathy and Dr. Sathya Sri, Department of Periodontics along with five CRRI students.

The program was started around 10.30 A.M were our CRRI students performed oral health examination for all gathered public and they were reported about the findings and those who required treatment were referred to our college.

Blood glucose and blood pressure level were checked for the gathered public and the readings were reported to them. Finally CRRI students gave awareness talk on diabetes and its influence in oral health which lasted for about 15 minutes.

NSS unit of Tagore dental college and hospital heart fully thank Management, Principal and CRRI students for making the program a grand success.

REPORT CONTENT

Youth Red Cross unit of Tagore Dental College and Hospital organized an awareness program to spread and create awareness about AIDS to the OPD patients visiting to Tagore dental college and hospital and YRG Care Centre on the occasion of World AIDS Day.

The Program was started around 10.00 A.M were pamphlet regarding AIDS awareness were distributed to all OPD patients who visited Tagore dental college and Hospital and at YRG Care Centre.

The red ribbon is the universal symbol of awareness and support for people living with HIV. Wearing a ribbon is a great way to raise awareness on and during the run up to World AIDS Day, Thus red ribbon was distributed to all OPD patients to create awareness.

We thank our Chairperson Prof M. Mala mam and Principal Dr. C.J Venkatakrishnan sir for encouraging and giving us an opportunity for organizing this program.

“Arise! Awake! And stop not until the goal is reached!”

On account of the birth anniversary of Swami Vivekananda on 12th January, the Government of India had declared this day as National Youth Day since 1985 and this event is celebrated in India every year. The main aim of the Government is to pave a better future for the country by motivating the youth. On this auspicious day the Department of Public Health Dentistry and National Service Scheme (NSS) of Tagore Dental College and Hospital conducted a programme on National Youth Day on Tuesday, 12.01.2023 at Dr. APJ Abdul Kalam auditorium in Tagore Dental College. Around 81 students and faculty members had participated in the program.

The program was started at 8.45 AM and welcome address was delivered by Vice-principal Dr. Balagopal sir followed by the speech in both Tamil and English by interns on various topics given to them. Students and staff members have actively participated in the program. Principal Dr. C.J. Venkatakrishnan sir narrated the importance of celebrated National Youth day and lesson to be learnt from life of Swami Vivekananda.

Staff and students also delivered their speech on the following topics

S.NO	NAME OF THE STUDENT	TOPIC
1.	Shreeyan Nair	Hard work or smart work for current generation
2.	Lakshaya	Moral or money? Which is necessary to survive?
3.	Jananee Bhargavi	சுவாமி விவேகானந்தரிடம் இருந்து கற்றுக்கொள்ள வேண்டிய வாழ்க்கை பாடம்
4.	Malarvizhi	சமூகத்தின் ஆரோக்கியத்தை மேம்படுத்துவதில் இளைஞர்களின் பங்கு

All the participants were awarded with the certificates by Principal and Vice - Principals.

The program came to an end with Vote of thanks delivered by Dr.Soundarya, Senior lecturer, Department of Public Health Dentistry. All the students and staff members were asked to disperse at around 10.00 AM having witnessed an absorbing and fulfilling youth day program. We thank our chairperson Prof. Mala mam and our principal Dr.C.J.Venkatakrishnan sir for giving us an opportunity to conduct this program.

PROGRAM REPORT

On account of World Cancer Day, NSS Unit of Tagore dental college and hospital along with Department of oral medicine and radiology and Department of public health dentistry conducted a cancer awareness programme at Kolathur village.

The program was started around 10.00.AM where CRRI students performed cancer awareness skit to gathered village people for around 20 minutes. Skit focused on significant topics like damaging effects of smoking, importance of educating children about ill-effects of tobacco and alcohol, harmful effects of passive smoking, third hand smoking and finally importance of oral cancer screening. The concept of the skit was well acknowledged by the participants and they were encouraged to clarify any doubts at the end of the programme.

A pamphlet on oral cancer etiology, prevention and treatment was distributed to the village people and screening camp for detection of oral cancer and dental diseases was performed. (Total – 57; 25 male and 32 female)

We thank our chair person Prof. Dr. M. Mala Ma'am and Principal Dr.C.J.Venkatakrishnan sir for encouraging and giving as an opportunity for organizing this program.

REPORT

INTERNATIONAL WOMEN'S DAY – MARCH 8TH 2023

Internal Complaint Committee, Tagore Dental College and Hospital celebrated the **INTERNATIONAL WOMEN'S DAY** on **MARCH 9TH 2023**.

The participants were Teaching and Non Teaching female staffs and CRRI girls of Tagore Dental College & Hospital.

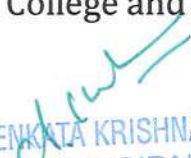

The Program was started at 1.00 PM with the welcome address given by Dr Bhuvaneswari (Presiding officer) Internal Complaint Committee. The Chief Guest was welcomed and introduced by Dr. C J Venkatakrishnan , Principal followed with prayer and kuthuvillaku lighting. The chief guest was felicitated with momento and certificate by principal and vice principal.

Chief Guest for the Program was **Dr Premalatha P B** , Professor and HOD, Dept of Obstetrics and Gynaecology, Tagore Medical College and Hospital.

Chief Guest was introduced and Dr Premalatha gave an inspiring speech of about Great Women like Indira Gandhi .She also spoke about the great women leaders and their achievements. She emphasized about self realization and to work towards ones' passion and goals. She also highlighted that one should be able to put in their effort to achieve the target. The session was interactive with the audiences. Faculties and students asked questions to the chief Guest and she gave motivating replies.

Cultural events such as dance was performed by CRRI followed with video clipping of female faculties of Tagore Dental College .

The program concluded with vote of thanks given by Dr Bhuvaneswari (Presiding officer)Tagore Dental College and Hospital.

Respected Sir,

With reference to your mail dated **20/03/2023**, we have conducted month long program and events by all the departments of Tagore Dental College & Hospital from **20/03/2023 to 19/04/2023** to commemorate World Oral Health Day. The events were oral health awareness and screening camps for public and patients attending our college, drawing competition for kids, photography and poem contest for students, screening camps for elderly people, thereby creating oral health awareness to all age groups from kids to elderly. Herewith we have attached the report of the events with photographs and videos.

Thanking you.

World Oral Health Day Pledge

By

Faculties of Tagore Dental College & Hospital

World Oral Health Day is celebrated every year on 20th March. It is an international day to celebrate the benefits of healthy mouth and to promote awareness about oral health and its importance of oral hygiene to old and young. World Oral Health Day pledge was read by Principal, Dr C J Venkatakrishnan and all the faculties repeated the same. All the departments conducted several events from 20th March to 19th April to celebrate World Oral Health day.

WORLD HEALTH DAY

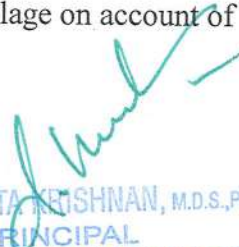

PROGRAM DETAILS:

The **World Health Day** is a global health awareness day celebrated every year on 7 April, under the sponsorship of the World Health Organization (WHO), as well as other related organizations. The World Health Day is held to mark WHO's founding, and is seen as an opportunity by the organization to draw worldwide attention to a subject of major importance to global health each year.

In 1948, the WHO held the First World Health Assembly. The Assembly decided to celebrate 7 April of each year, with effect from 1950, as the World Health Day. The World Health Day is held to mark WHO's founding and is seen as an opportunity by the organization to draw worldwide attention to a subject of major importance to global health each year. The WHO organizes international, regional and local events on the Day related to a particular theme. World Health Day is acknowledged by various governments and non-governmental organizations with interests in public health issues, who also organize activities and highlight their support in media reports, such as the Global Health Council.

World Health Day theme for the year 2023 is **"HEALTH FOR ALL"**

NSS unit of Tagore dental college and Hospital along with Department of Public health dentistry organized an awareness talk for general public in Nellikuppamvillage on account of World health day.

YOUTH RED CROSS
TAGORE DENTAL COLLEGE & HOSPITAL

The oath taking ceremony of Tagore dental college and hospital- Youth Red Cross took place on the World Red Cross & Red Crescent Day (8.05.2023) at 8:45 a.m. to 9:15 a.m. in the audio-visual room of the college.

The ceremony started with welcoming the principal Dr. C.J. Venkatakrishnan (president, TDCH- YRC), Dr. C.S. Shobana (chairman, TDCH- YRC), the student members (8 interns- Sreeskandhan, Sherin Sona, Sharmishta, Sarika, Deva Darshini, Devika S Nair, Bhuvana, Batty Sharan, Arsha Johny); a volunteer from the immunization program, and the former peer educators (2 juniors).

Then Dr. Shobana addressed the gathering on the past events that were conducted by the committee and emphasized the importance of compassion and kindness. She suggested various ways through which we can serve and encouraged the students to actively participate in the upcoming events. A special mention of the incredible contribution of Dr. Kumara Raja and Dr. Meeran Sherif (former faculty members) was made.

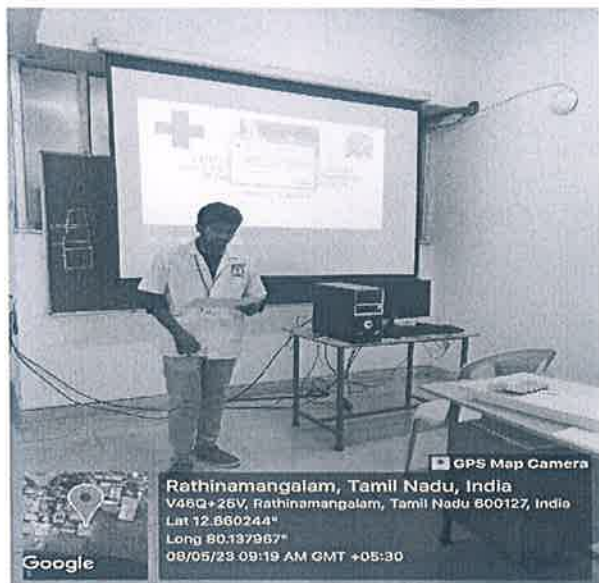

This was followed by the Oath Taking Ceremony which was led by the principal.

The event concluded with felicitating the following students; Shara Trisha, Batty Sharan, Bhuvana, Arsha Johny and Sreeskandhan (interns) for volunteering the immunization program conducted by the YRC on 16.03.2023, Akshaya and Karthika (second year students) for beautifully donning their role as peer educators for the year 2022- 2023. Among the YRC student members, 4 students were assigned the roles of program officers, certificate in charge, accounts in charge.

It was indeed a solemn occasion that gave the students a responsibility to serve.

NATIONAL PERIODONTIST DAY 2023

(DATE:12.05.2023,FRIDAY)

Department of Periodontics, Tagore Dental College & Hospital celebrated National Periodontist day on May 12th 2023.

In accordance with the periodontist day celebration, Department of Periodontics conducted a few ON Stage and OFF stage events for final year and CRRI students.

The OFF stage events were Memes and reels competition for final year students and interns. The memes and reels were assessed by principal Dr.C.J.Venkatakrishnan and the winner for each competition was selected.

The ON stage events were conducted on 12.05.2023 and the list of ON stage competitions were

JUMBLED WORDS SOLVING COMPETITION

PERIO ART COMPETITION

TREASURE HUNT COMPETITION

CONNEXION QUIZ COMPETITION

The Venue for ON stage competitions was examination hall and the program started sharply at 9:00 AM on 12.05.2023. The first event of the program was Jumbled words solving competition for the final year students. A winner and a runner were selected .

The next event held was Perioart competition in which five teams (three members for each team) participated. The teams made creative artistic works using the materials which were

related to periodontics .The perioart done by each team was displayed and a winning team for this event was selected by principal Dr.C.J.Venkatakrishnan .

The Treasure hunt with five teams of three members for each team was held in department of periodontics.They were given five hidden clues(regarding periodontics) and they had to hunt for 20 minutes .A winning team was selected at the end of the event.

Connexions quiz competition was held in which five teams (three members for each team)participated .The connexions quiz consisted of four rounds with elimination of two team at the end of second round and three team entered the third round which is followed by elimination of one team at the end of fourth round .Two teams participated in the final round and winners were selected at the end of the Final round.

Other department faculties joined the celebration at Board room.by 1 PM, and they were warmly welcomed by the Perio team.

Next Head of department Dr.Bhuvaneswari addressed and welcomed the college faculties.

Cake was cut as part of the celebration and faculties were provided with snacks and refreshments.

On 31st May 2023, a Walkathon was conducted in Tagore Dental and Medical College Campus to raise awareness among patients and public regarding ill-effects of tobacco. The walkathon was followed by a camp at Kolathur village. A total of 57 (20 Male and 37 Female) patients were screened for regular dental check up. Patients requiring dental treatments were directed to our college for further treatment and follow up.

A skit was organized during the camp to create awareness among the public regarding the ill-effects and diseases due to tobacco usage in any form. Also

Pamphlets were distributed among the village public to raise awareness regarding the deleterious effects of tobacco.

On 1st June 2023, a skit was organized to create awareness among the patients who reported to Tagore Dental College OP, regarding the ill-effects and diseases due to tobacco usage in any form. Also Pamphlets were distributed among the patients to raise awareness regarding the deleterious effects of tobacco.

We thank our chair person Prof Dr. M. Mala Ma'am and Principal Dr.C.J.Venkatakrishnan sir for encouraging and giving us the opportunity to organize this program.

PROGRAM 1

WALKATHON INSIDE THE COLLEGE CAMPUS

World No Tobacco Day is observed on May 31 to raise awareness about the damage caused by consuming tobacco. Consuming tobacco kills over 80 lakh people across the world every year. Besides the human cost, consuming tobacco also causes the environment to degrade.

The theme for WORLD NO TOBACCO DAY 2023 is **'Grow food, not tobacco'**

Tobacco growing harms our health, the health of farmers and the planet's health. The tobacco industry interferes with attempts to substitute tobacco growing, contributing to the global food crisis

Walkathon was conducted by department of Public Health Dentistry in collaboration National Service Scheme of Tagore Dental College & Hospital on account of world no tobacco day inside the college campus to create awareness on tobacco usage among public

All students and staff members carried placards and banners with quotes on ill effects of tobacco usage.

The event was graced by Dr. Balagopal, vice-Principal (Academics)

PROGRAM 2

ORGANISING SKIT, DENTAL SCREENING CAMP AND WALKATHON AT KOLATHUR VILLAGE

The awareness program was conducted by department of Public Health Dentistry in collaboration National Service Scheme of Tagore Dental College & Hospital on account of world no tobacco day at Kolathur with an attempt to create awareness on ill effects of tobacco consumption

Permission to conduct the awareness programme was obtained from village head.

The program started at around 10.00 AM with the introduction given by Dr. Mahalakshmi, Lecturer, Department of Public Health Dentistry.

The main objective of the program was to create awareness against ill effects of tobacco use with more importance given to second and third hand smoking as well as to end tobacco growing subsidies and use the savings to support farmers to switch to more sustainable crops that improve food security and nutrition.

Students started the awareness speech with the demographics of tobacco use, followed by explaining the types of tobacco consumption, harmful effects of tobacco consumption, how to prevent the usage of tobacco and the benefits of quitting tobacco products.

Students have educated the public through Skit on second-hand smoking and its impact on the family members and also how women play an important role in educating their family members who have the habit of using tobacco products. They explained in detail about the ill effects of Tobacco and the services provided by the Tobacco Cessation Centre with the help of posters and flip chart.

Skit was very well received and appreciated by the participants and they also clarified their doubts

Detailed information about the tobacco cessation center present in the department and how the tobacco users have successfully quit their habits with the help of cessation services available in the department and how to contact the cessation service in detail was also given.

Dental screening and Blood Pressure monitoring was done for all the participants from the village. Walkathon with banners and placards was carried out to create awareness on ill effects of tobacco usage.

The program was followed by the distribution of pamphlets in Tamil on stressing the health hazards of tobacco consumption and types of smoking and smokeless tobacco.

The participants gave their enthusiastic feedback and ensured that they will visit the center along with their spouses and family members who have the habit of tobacco consumption in order to avail the services of the center.

We thank our Chairperson Prof M. Mala mam and Principal Dr. C.J Venkata Krishnan sir for encouraging and giving us an opportunity for organizing this program.
