### **PROSPECTUS**

- Rendezvous for learning and growing

... as a guiding light

## From the Chairperson's Desk

"Education is the manifestation of already existing perfection in man" said Swami Vivekananda. "Education is the most powerful weapon which you can use to change the world" said Nobel Prize winner Nelson Mandela. Tagore group of institutions were started with this exemplary vision of "Quality Education to all". We believe that education is not preparation for life, but life itself.

A sudden surge in the field of engineering and technology and huge demand for engineering graduates prompted the group to start Jerusalem College of Engineering in the year 1995, at a strategically located campus at Pallikaranai, Chennai. The next major venture of the Tagore group was the Tagore Engineering College, Rathinamangalam with a huge sprawling campus and excellent infrastructure.

Tagore group forayed itself into the world of school education, with Hilton Matriculation Higher Secondary School, Chromepet being one of the top ranked schools in the southern suburbs of Chennai and later, with great pride established Tagore Arts and Science College.

Tagore group's commitment and conviction in Nation building and Quality Education to all led to the foundation of Tagore Dental College and Hospital in the year 2007. The college has reached great heights in short span of time. In 2021, the college underwent NAAC Inspection and gained the prestigious recognition as NAAC accredited college. I am immensely proud to see that our students graduate with exceptional performance and bring laurels to the college by winning University Gold Medals and National level awards. Two batches of students have successfully completed Post Graduation.

I am also very happy to see the immense Research activities, Patent publications and ICMR grants being done by the college. Students of Tagore Dental College and Hospital, always secure top ranks in AIIMS and PG – NEET examination. Our alumni are pursuing Post Graduation at colleges all over India.

Over the past 15 years, the college has excelled in Dental Education, Patient Care and Research.

2010 can be marked as a major milestone in the success story of Tagore group, with the starting of Tagore Medical College and Hospital and Tagore College of Nursing, followed by Tagore College of Pharmacy, Tagore College of Physiotherapy and Tagore College of Allied Health Sciences, Rathinamangalam.

Tagore group of Institutions believe in the discipline of students so that they can be moulded into responsible and humane citizens. Apart from imparting knowledge, the focus is on character building, ethical values and professionalism. We believe in academic excellence, quality education for all and high moral fabric, that will ultimately help in the development of our country.

**Prof. M. Mala** M.A., M.Phil.,  
Managing Trustee  
Tagore Group of Institutions

*The Trust endeavors to serve the cause for rural and community development by giving by starting Engineering, Dental, Medical and Arts Colleges and to provide fair opportunities to the middle class and minority community to pursue their technical education without any economic and other difficulties.*

*Tagore Dental College is one of the educational institution of the Tagore Educational Trust which aims in imparting quality education along with righteous living and a sense of responsibility to the society to the students and guide them to career enhancement.*

# *Tagore Dental College & Hospital*

## From the Principal's Desk

Tagore Dental College was established in the academic year 2007 and we are affiliated to the prestigious The TN DR MGR Medical University. The first batch of students passed out in 2011. Currently there are about 500 Undergraduate students and 30 Post graduate students in various years of study. Ten batches of students have completed their 4 years of study and one year of internship. The pass percentage of the regular batch of students has been a consistent 90 % every year and was 96% in 2022.

I am very happy to announce that our college has received the accreditation from NAAC - National Assessment and Accreditation Council in 2021 and we have further applied for NIRF accreditation.

With pride, I would like to mention the success of Post-Graduation course in 4 disciplines—Oral Surgery, Prosthodontics, Endodontics and Orthodontics, which was started in 2018 and the first batch has successfully completed with 100% pass percentage in 2021. In the near future we are planning to increase the Post-Graduation seats in all four departments and also embrace post-graduation in remaining specialities. All these were made possible due to the sincere efforts of our beloved chairperson and hard work of our staff members.

Our college has secured Six University Gold medals in various subjects in the past three years. Each year our Students bag prestigious All-India NEET and AIIMS ranks, Hari Prakash award and Pierre Fauchard Academy awards. Our students also excel in sports and cultural events.

Six ICMR grant projects are running successfully in our college. Six patents have got published and new patents have also been proposed.

With 14 years of establishment and experience, we are definitely a centre for excellence in Dental Education, Patient care and Research. I can proudly say that Tagore dental college is one among the best Dental Colleges in Tamil Nadu and under the enlightening guidance of our Chairperson we will definitely reach great heights.

**Dr. C.J. Venkatakrishnan**  
Principal

# Vision & Mission

The college aims to impart high standard of education to promote technical and professional competence with character and personality of the students to be molded with sufficient knowledge inputs, to enable the students passing out of the institution to face the challenges in real life situation.

Our vision is to Promote the institute as a premise for dissemination of knowledge; Commitment to quality; Inculcate scientific spirit; Promote technical and professional competencies; Create competitive ambience for study and research; Integrated personality development to inculcate discipline, ethical standards of living, tangible and perceivable values, to promote social order and not to differentiate between the have and have nots, on the basis of religion or caste or creed; To equip the students to become decision makers, innovators in the globalized economy.

Our mission is to impart, Knowledge and understanding of the subject; Technical training in all the relative fields to treat all dental illness in general dental practice; Develop the attitude for patient and community care; To be patient and considerate to patients, to be truthful, faithful, and responsible for the patients well being and maintain confidentiality; and Career enhancement with good clinical skills.

## About the College

Tagore Dental College and Hospital is approved by the Ministry of Health and Family welfare and the Dental Council of India and affiliated to The Tamil Nadu Dr. M.G.R. Medical University and follows the guidelines of the university under the rules and regulations of Dental Council of India.

The college is situated on K elambakkam High Road connecting Vandalur to Old Mahabalipuram Road at distance of 5 Km from Vandalur near Tagore Engineering College. The Medical Hosptial functions in the campus and is fully equipped and well attended. The care of patients and patient handling, courteousness, patient listening to them and being gentle and doing the apt treatment is insisted upon.

Theoretical knowledge is imparted with the latest audio visual aids, the latest teaching methods, and making available the books and Journals. The training in the clinical work is given at most importance and more number of hours is allotted.

The students are encouraged in speeches by giving them seminars, participation in clinical society meetings, presentations in conferences, creativity is encouraged by giving them charts and models to be made, conduct competitions in cultural activities, games etc to shape their overall performance.

The students are given guidance on the future possibilities after completion of their degrees. They are guided regarding future opportunities like post graduation, studies abroad, further studies in related fields, on the starting clinics with the information about the loan facilities, manufacturers information and other guidance's regarding their future plans. Dress code, the code of conduct is strictly followed and the students are taught ethical values and civic responsibilities.

## Enjoying state-of-the art facilities

### Educational facilities

The college has a mix of young and experienced staff in both Dental and Basic Science departments to provide quality education.

The Departments and Laboratories are fully equipped with the latest equipments. LCD projectors are available in the classrooms for projections and live demonstration to enable the students to understand their subject better. CCTV is also available for slide projections.

The Library has about 6000 Books and 45 National and International Journals for reference and advanced learning. It also boasts of an Audiovisual room and Internet room with 23 computers and Broadband facility. The library has enough space for reading and reference section also.

Students are encouraged to participate in CDE Programs and also in competitions conducted in other colleges. Research facilities and guidance are provided to the students to conduct research and to publish and patent the results.

### ELIGIBILITY & ADMISSION

As prescribed by The Government of Tamil Nadu, and The Tamil Nadu Dr. M. G. R. Medical University. The candidate should qualify the National Eligibility cum Entrance Test (NEET).

Going into the intricacies

## Blending the right techniques of learning

English classes are conducted for students who are from vernacular background to help improve their English skills and understand their subjects and perform well.

If the students are poor in the subject or irregular to college the parents are informed. The students are counseled to attend regularly and if there are any personal problems the professional counselor is called in. Any other problems in the college for the student it is corrected. Academically poor students are given individual coaching after college hours and during holidays and study holidays. Special tests and viva are conducted individually. Extra clinical hours are given for them to work and finish their allotted clinical work and extra care is given to see to their work is satisfactory.

Teaching is  
perfect  
Learning is  
complete

## Extracurricular activities

Extracurricular activities are conducted like competitions in music, dance and games. College day is conducted to help the students to display their talent.

## Sports Activities

Out door sports like Basket Ball, Ball Badminton Cricket, Foot Ball, Volley Ball, Throw Ball and Tennikoit are available and indoor sports like Chess, Caroms, Table Tennis have been provided for the benefit of the students. A Gymnasium is also been maintained at the Hostel for physical activities.

## Co-curricular activities

The college conducts various dental and medical camps at its premises and also in schools and factories to spread the awareness of general and dental health. We have adopted some neighboring villages to help them in health awareness, environment cleanliness, AIDS awareness, medical and dental treatment, and literacy programs. This helps to create social awareness among the students.

We have adopted an orphanage and the children are brought to the college for treatment. Old age Home patients are treated and given Dentures free of cost.

## Hostel and canteen facilities

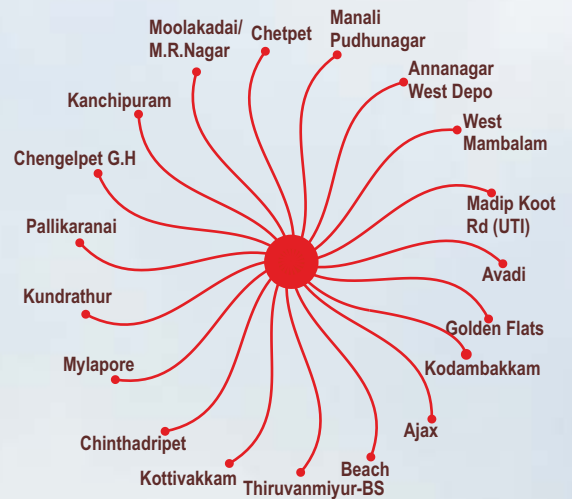

The college has Hostels for both Boys and Girls which are well furnished and has entertainment facilities. There are both South and North Indian Canteens to cater to the students needs.

# Transportation

The college has its own fleet of vehicles for the transport of students from various locations of Chennai city and suburbs to the college premises so as to enable them to reach the college in time and also to return home comfortably. This arrangement help them to maintain punctuality and also to have a safe travel.

The college is distinctive in conducting Live surgical workshops, Implantology course and pre-clinical inter-college competition every year. CDE programs and hands-on workshops are regularly conducted in all departments

Honourable Secretary,  
Health and Family Welfare, Tamil Nadu,  
Dr. J. Radhakrishnan I.A.S and  
our esteemed Chairperson  
Prof. Dr. M. Mala Ma'am released the  
Tagore newsletter "Vishaya"  
on 7<sup>th</sup> April 2022

The Third graduation day was conducted on 24<sup>th</sup> November 2018 and Dr. S.M. Balaji, founder and director of Balaji Dental and Craniofacial Hospital was the Chief Guest and conferred the Degree to the students. The next graduation day could not be commenced due to Covid related restrictions.

Every year the college encourages the students to parade their talents through Gitanjali Cultural festival and Zenith Sports meet

Classical dancer Sahana Venkat and singer Sam Vishal graced the Gitanjali 22 cultural function. Several on-stage and off-stage events were conducted with great zeal.

Mr. M. Prasanna Venkatesh, Indian Basket ball player was the chief guest of Zenith 2022. The sport events were conducted from 25th to 28th April 2022 and the Annual Sports Meet Zenith 2022 was conducted on 30th April 2022. Several students from each year of study participated in more than 15 events which made it a great success.
